III. The God Who Is...

Personal Reflection

Set aside fifteen minutes this week to pray & respond to the following:

The word “identity” is often used to sum up the core substance of a person's nature & behavior. Everyone has an identity because each person is unique & possesses a will that is expressed in words & deeds. Since the beginning, humans have struggled to discern & understand the identity of God.

God has revealed Himself to the world in order that we may know & be with Him. There is more to knowing God than facts & theological assertions. Answers to the question, “Who is God” are ultimately found within the context of a relationship with the Almighty & through diligent study of His Word, the Bible.

The Bible reveals many essential truths regarding the identity of God:

He is all-powerful—unmatched in His authority & ability.

He is personal—possessing a will, nature, intellect, emotion, etc.

He is present—involved in the ongoing plan of history & interacting with those whom He has created.

How involved are you with God? Are you driven to know Him personally? Do you appreciate & take advantage of His efforts to reveal Himself to you in a personal, relational way?

Pray & thank God that He is not some far off, distant deity who has no interest in His creation. Moreover, thank Him for being present & eager for us to know Him. Commit to be diligent in strengthening your relationship with God through prayer, Bible study, worship & service to others on behalf of His love.
